Kia ora,

If you've already renewed within the last 24 hours, please ignore this reminder.

It costs \$103.95 for 12 months if you renew online. Your reminder number is **866223**.

[Renew now](#)

Don't forget to renew your licence or exemption.

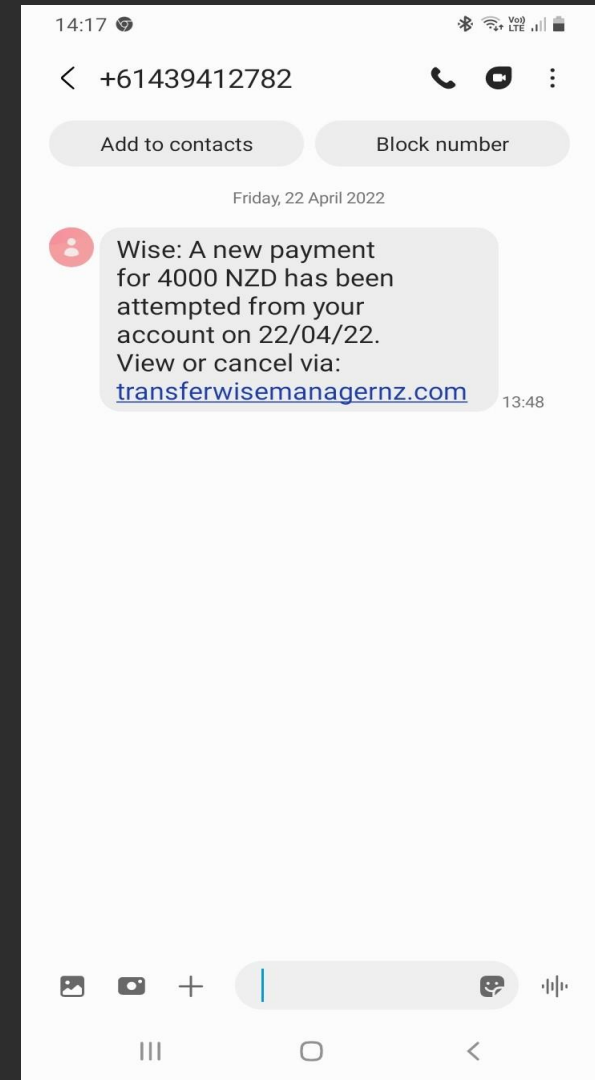

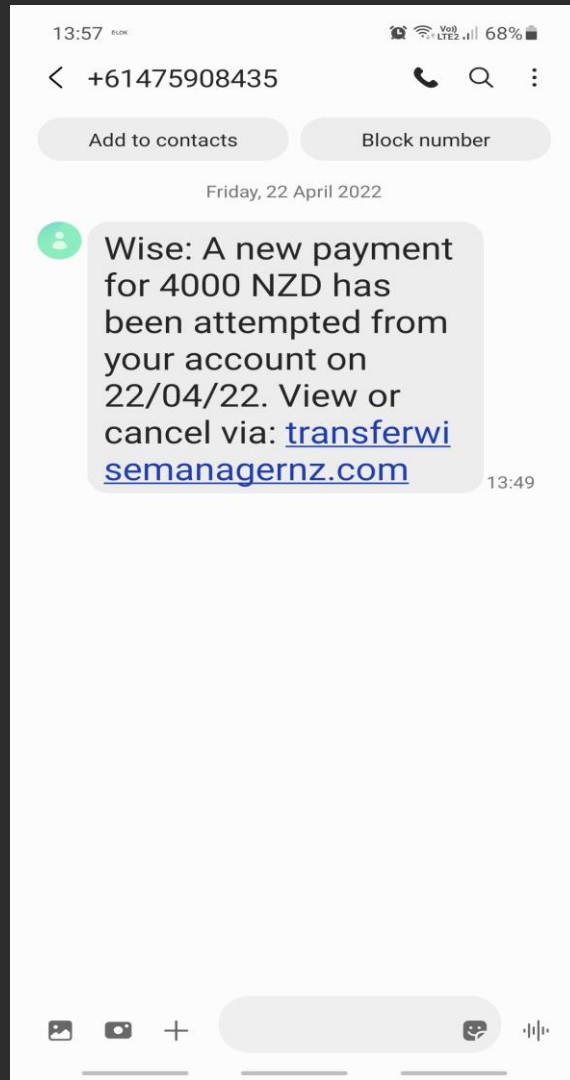

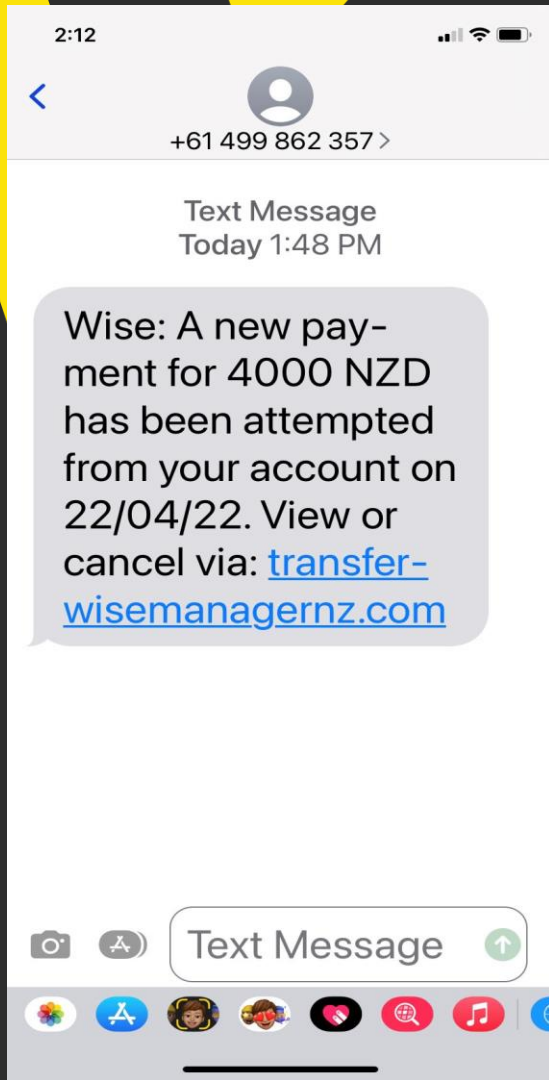

If you're not going to use your vehicle on the road for the next three months or more, [put it on hold instead](#).

Check the full reminder to see:

- how the fees are made up
- other licence periods and costs
- more details about your vehicle.

Thank you,

# Tech-Scam Calls

You receive a call from a scammer claiming to be from a well-known company or organisation.

The scammer claims to have discovered 'issues' with your computer or bank account requiring urgent attention, and asks you to download remote access software.

The scammer will get you to log into internet banking to 'make sure' nobody has access to your account.

Once the scammer has access to your internet banking, they steal your money.
